## Altrusa Scholarships

# Application and Supporting Materials will Include

- Completed Application (see website: <http://altrusafayetteville.org>)
- Letter from applicant stating purpose and goals, including course of study, community involvement, career aspirations, and any special circumstances
- Official academic transcripts
- Letters from three references (career related, academic, personal)
- Proof of admission into an institution or school

Altrusa offers members opportunities to contribute their time and talents to help others.

One way our local club helps is by providing funding for local non-traditional students to further their education and provide a better life for their family.

Sometimes it may seem more difficult to reach those goals because our family takes priority in spending and planning. For those students dedicated to attaining their careers, we provide funding to help them achieve their educational goals.

## REALIZING YOUR DREAMS

It is our hope that through scholarship opportunities we can help our recipients realize the goals that they have set for the careers they are working towards.

All scholarship materials should be completed and submitted for consideration by the scholarship committee, no later than April 15.

Applications will be evaluated and candidates will be contacted for a personal interview before scholarships are awarded.

Altrusa International, Inc. of Fayetteville offers two (2) \$1,000.00 scholarships per academic year for eligible students. Recipients may re-apply for up to three (3) consecutive years if a 3.0 GPS is maintained during fulltime enrollment.

## SECURING YOUR FUTURE

With the proper education, career aspirations become attainable.

Altrusa believes that the way to progress lies in education and opportunities to develop leadership.

Altrusa is an expression of the search for the best in character, in business, and in citizenship and that is what we hope to provide with educational funding through our scholarship program.
